

ADVANCED POST GRADUATE Skin Workshop

24th & 25th September

Youth Beauty

If you are looking to refresh or improve your knowledge on Skin analysis, ingredients and prescriptions – then come and join our Advanced post graduate skin workshop in Wellington.

Day 1

Day 1 with Youth Beauty trainers: Hannah & Karleen
Skin analysis, ingredients and prescriptions for Anti ageing, Acne and pigmentation. Includes introducing our new Professional Hyaluronic Acid Serum and **NEW SkincareRX** HA masks!

Training on our launch of the Hyaluronic Acid Serum and **NEW SkincareRX** masks!

Day 2

Day 2 with guest presenter: Paul Carbis

Combining technology like Dermal needling, IPL, LED, Hydradermabrasion and the new Plasma treatments with advanced skincare ingredients for best results.

There are few names on the global beauty scene as recognizable or respected as Paul Carbis. His super impressive resume spans 20+ years career that has seen him work all over the world.

Paul not only talks beauty but he is also one of the most highly respected therapists in our country who is still treating clients weekly.

Learn how Paul Carbis combines advanced treatments to achieve advanced results.
