

The Pick n' Mix

Beauty Treatments

you need for Spring

Here's a fact of life: Nicer weather means showing more skin, which means all of those things you've been hiding through Winter need to come out again.

There are a handful of beauty treatments that this season calls for... choose from our list below:

GET YOUR FEET JANDAL READY

Regardless your gender, you need a pedicure before you slip into a shoe that shows your feet.

\$00.00

GET THAT GLOWY LOOK

Spring is all about dewy, naturally-radiant skin.. Get the look with a series of laser treatments that restructure the skin or an intensive deep cleansing facial.

\$00.00

HOLIDAY TAN

To make your legs look a little less pale and lifeless Behold... The spray tan! Upper or Lower body and full body options available.

\$00.00

SPRING HARVEST

Sorry to say it, but the only way to make waxes less painful is to start now, not the day before you decide to go on holiday or get into your swimware!

\$00.00

TO SLOUGH OFF ALL YOUR DEAD WINTER SKIN

Shed that dry, dull skin as you get buffed, masked and scrubbed to perfection.
