

Tween School Holiday Program

Book your Tween in this School Holidays for a one-on-one or group session with one of our highly qualified therapists.

Within this time your Tween will be educated on Skin Care (specific to their concerns), Waxing/Hair removal (how often and what is the best option for them) Nail Care and education on the care that should be taken in between appointments. They will also receive a mini facial and mini makeover including colour matching and basic makeup tips.
